Last Updated: 13 August 2026

Please read these Terms and Conditions carefully in their entirety before using any product or service offered by Olympus Capital Limited. These Terms contain important information regarding your legal rights, remedies, and obligations, including limitations and exclusions of liability, a risk acknowledgment, and provisions governing dispute resolution.

1. Introduction and Acceptance of Terms

These Terms and Conditions (the "Terms", this "Agreement") constitute a legally binding agreement between you ("you", "your", the "Client", the "Trader", or the "User") and Olympus Capital Limited, a company incorporated and registered under the laws of Saint Lucia with company registration number EA – 2024-00085, having its registered office at ACE Corporate Services Inc., Top Floor, Rodney Court Building, Rodney Bay, Gros Islet, Saint Lucia (the "Company", "Olympus", "we", "us", or "our").

3. About Olympus Capital Limited and Regulatory Status

Olympus Capital Limited is incorporated and registered under the laws of Saint Lucia under the International Business Companies Act, with registration number EA – 2024-00085. The Company's registered office is ACE Corporate Services Inc., Top Floor, Rodney Court Building, Rodney Bay, Gros Islet, Saint Lucia.

IMPORTANT REGULATORY DISCLOSURE: Olympus Capital Limited is registered as an International Business Company in Saint Lucia. The Company is not licensed, authorised, or regulated by a top-tier financial services regulator (including, without limitation, the UK Financial Conduct Authority, the Australian Securities and Investments Commission, the Cyprus Securities and Exchange Commission, the U.S. Commodity Futures Trading Commission/National Futures Association, or any equivalent body). Saint Lucia's Financial Services Regulatory Authority does not, as at the Effective Date of this Agreement, require or issue a separate product-specific licence for the provision of CFD or Forex trading services by an International Business Company that does not solicit residents of Saint Lucia. Clients should independently verify the Company's regulatory status before trading and should not assume that any investor-compensation scheme, deposit-guarantee scheme, or statutory client-money protection regime applies to their Account.

The Company also maintains non-client-facing representative and administrative offices in the United Arab Emirates (Dubai) and Thailand (Bangkok), each operating under local marketing, company-representation, or serviced-office arrangements. These offices do not conduct regulated financial activity, do not execute trades, and do not independently accept clients; all trading Services are provided by Olympus Capital Limited as the contracting entity under these Terms.

Nothing in this Agreement, on the Website, or in any marketing material shall be construed as representing that the Company holds a licence or authorisation that it does not in fact hold. In the event of any inconsistency between marketing statements and this Section 3, this Section 3 shall prevail.

4. Eligibility and Prohibited Jurisdictions

You represent and warrant, on a continuing basis, that: (a) you are at least eighteen (18) years of age or the age of legal majority in your jurisdiction of residence, whichever is higher; (b) you have full legal capacity to enter into this Agreement; (c) you are not accessing the Services on behalf of, or for the benefit of, any person who does not meet these eligibility criteria; and (d) all information you provide to the Company is true, accurate, current, and complete.

The Company does not offer, solicit, or provide Services to residents or citizens of, or persons located in, the United States of America or Australia, and shall not knowingly open or maintain an Account for such persons.

The Company does not offer, solicit, or provide Services to any person located in, or resident of, a jurisdiction subject to comprehensive sanctions administered by the U.S. Office of Foreign Assets Control, the United Nations Security Council, the European Union, or an equivalent body, or a jurisdiction identified as a High-Risk Jurisdiction subject to a Call for Action by the Financial Action Task Force (FATF), as such lists are updated from time to time.

As a Saint Lucia International Business Company, the Company does not solicit or provide Services to persons resident in Saint Lucia.

The Company reserves the right, in its sole and absolute discretion, to restrict, suspend, or refuse the provision of Services to residents of any additional jurisdiction where the Company determines, at any time, that doing so is necessary or advisable to comply with Applicable Law, sanctions regimes, or its internal risk policies. A current list of jurisdictions in which the Company does not accept clients is available on request and may be published on the Website.

IT IS YOUR SOLE RESPONSIBILITY TO ENSURE THAT YOUR USE OF THE SERVICES IS LAWFUL IN YOUR JURISDICTION OF RESIDENCE AND CITIZENSHIP. THE COMPANY MAKES NO REPRESENTATION THAT THE SERVICES ARE APPROPRIATE OR AVAILABLE FOR USE IN ANY PARTICULAR JURISDICTION. ACCESS TO THE SERVICES FROM JURISDICTIONS WHERE SUCH ACCESS IS UNLAWFUL IS PROHIBITED, AND THE COMPANY ACCEPTS NO RESPONSIBILITY OR LIABILITY WHATSOEVER FOR A CLIENT'S BREACH OF LOCAL LAW.

5. Nature of the Services; No Investment Advice

The Company provides an execution-only service. The Company does not provide investment advice, portfolio management, personal recommendations, tax advice, legal advice, or any assessment of the suitability or appropriateness of any transaction for the Client, unless expressly agreed otherwise in writing.

Any market commentary, research, educational material, webinar, third-party signal, or similar content made available by or through the Company is provided for general informational purposes only, does not constitute advice or a personal recommendation, and should not be relied upon as the basis for any trading decision. The Company accepts no responsibility for the accuracy, completeness, or timeliness of such content, nor for any trading decision made in reliance on it.

No employee, representative, introducing broker, affiliate, or other third party associated with the Company has authority to bind the Company to any statement, representation, or warranty not expressly contained in these Terms.

The Client acknowledges that all trading decisions are made independently and at the Client's own initiative, and that the Company owes the Client no fiduciary duty, advisory duty, or duty of care beyond what is expressly and mandatorily required by Applicable Law.

6. Account Registration, Client Identification and Anti-Money Laundering

To open an Account, you must complete the Company's registration process and provide such identification, verification, and supporting documentation as the Company may require from time to time, including but not limited to proof of identity, proof of address, source-of-funds information, and any other document reasonably required to comply with know-your-customer ("KYC") and anti-money laundering ("AML") obligations.

The Company reserves the right to refuse, delay, or reject any application, and to suspend, restrict, or close any Account at any time, without obligation to provide a reason, where the Company considers it necessary for risk-management, compliance, or commercial purposes.

You agree not to use your Account for any unlawful purpose, including money laundering, terrorist financing, tax evasion, or fraud. The Company reserves the right to report suspicious activity to the appropriate authorities and to freeze or close an Account pending investigation, without liability to the Client for any resulting loss.

You are solely responsible for maintaining the confidentiality of your Account login credentials and for all activity that occurs under your Account, whether or not authorised by you, save to the extent such activity results directly from the Company's own gross negligence, wilful default, or fraud.

7. Trading Platform and System Access

The Company will make available one or more electronic trading Platforms through which the Client may place orders. The Company does not warrant that the Platform will be uninterrupted, error-free, secure, or available at all times.

The Client is solely responsible for the suitability, security, and configuration of the Client's own hardware, software, internet connection, and network environment used to access the Platform. The Company shall not be liable for any loss arising from a failure, delay, malfunction, or unavailability of the Client's own equipment or connectivity.

The Company reserves the right to suspend access to the Platform, in whole or in part, for scheduled or emergency maintenance, upgrades, security reasons, or as required by Applicable Law, without prior notice where circumstances so require.

8. Orders, Execution, Quotes and Pricing

All orders are subject to acceptance and execution by the Company in accordance with its order-execution policy as published or made available from time to time. The Company will use reasonable endeavours to execute orders promptly, but does not guarantee execution at any particular price, within any particular time, or at all.

Quoted prices may be subject to spreads, mark-ups, re-quotes, and price adjustments reflecting underlying market conditions, liquidity provider pricing, and the Company's own pricing methodology. Prices displayed on the Platform may differ from prices available on other platforms or from the underlying reference market.

The Company reserves the right, in cases of manifest error, abnormal market conditions, technical malfunction, or suspected abusive trading practices (including but not limited to latency arbitrage, price manipulation, and the exploitation of quoting errors), to cancel, adjust, or reverse any trade, without liability to the Client for any consequential loss of anticipated profit.

9. Leverage, Margin and Stop-Out

The Services may be offered on a leveraged basis, meaning that the Client may control a position with a notional value substantially greater than the funds deposited as margin. Leverage magnifies both potential gains and potential losses, and losses can exceed the amount originally deposited.

The Client is solely responsible for monitoring margin levels on their Account. Where the Client's Account equity falls below the margin level required to maintain open positions, the Company may, without prior notice and in its sole discretion, close out some or all of the Client's open positions (a "stop-out"). The Company shall have no liability for any loss arising from such closure, including where the closure occurs at a price less favourable than the Client might have obtained had the Client closed the position manually.

TRADING ON LEVERAGE IS HIGH RISK. YOU MAY LOSE MORE THAN YOUR INITIAL DEPOSIT. YOU SHOULD NOT TRADE WITH MONEY YOU CANNOT AFFORD TO LOSE.

10. Fees, Commissions, Spreads and Charges

The Company may charge spreads, commissions, financing/swap charges, inactivity fees, currency-conversion fees, and other charges as published on the Website or otherwise notified to the Client from time to time. The Company reserves the right to amend its fee schedule at any time, with such changes taking effect upon publication unless a later date is specified.

The Client is responsible for all fees, charges, and taxes applicable to their trading activity, including any withholding tax, transaction tax, or reporting obligation arising in the Client's jurisdiction of residence or citizenship. The Company does not provide tax advice, and the Client should consult an independent tax advisor.

11. Deposits, Withdrawals and Client Funds

Deposits and withdrawals must be made using payment methods approved by the Company and, in general, to and from an account or payment method held in the Client's own name. The Company reserves the right to request additional verification before processing a withdrawal, and to decline or delay a withdrawal where necessary for compliance, fraud-prevention, or security reasons.

The Company shall not be liable for any delay, error, or loss caused by a third-party payment processor, bank, or intermediary involved in the transmission of funds, nor for any currency-conversion loss arising from such transmission.

The Client acknowledges and accepts the risk that, as the Company is not regulated by a top-tier financial regulator, statutory client-money segregation and investor-compensation-scheme protections that may apply to regulated brokers in other jurisdictions do not automatically apply to funds held with the Company. Clients should review the Company's fund-handling arrangements, as published from time to time, before depositing funds.

12. Risk Acknowledgment

TRADING CFDs AND FOREX INVOLVES A HIGH LEVEL OF RISK AND IS NOT SUITABLE FOR ALL INVESTORS. YOU MAY LOSE ALL, OR MORE THAN ALL, OF THE FUNDS YOU DEPOSIT. BY ACCEPTING THESE TERMS, YOU CONFIRM THAT YOU HAVE READ, UNDERSTOOD, AND ACCEPT THE COMPANY'S RISK DISCLOSURE STATEMENT IN FULL, AND THAT YOU ARE TRADING ENTIRELY AT YOUR OWN RISK.

The Company's Risk Disclosure Statement, published separately, forms an integral part of this Agreement and sets out in detail the risks associated with trading CFDs and Forex, including market, leverage, liquidity, counterparty, operational, and other risks. The Client confirms that they have read and understood that document in its entirety prior to trading.

13. Copy Trading and Social Trading Features

Where the Company makes available any copy-trading, social-trading, or signal-following feature, the Client acknowledges that following or copying another trader's strategy carries additional risk, including the risk that the followed trader's objectives, risk tolerance, and strategy differ materially from the Client's own. Past performance of any strategy or trader is not indicative of future results.

The Company shall not be liable for any direct, indirect, or consequential loss arising from a Client's reliance on, or use of, copy-trading or social-trading features or content, including losses arising from the strategy, error, or conduct of a followed trader.

14. Bonuses, Promotions and Marketing Offers

Any bonus, promotion, rebate, or other incentive offered by the Company is subject to specific terms and conditions published at the time of the offer, and may be withdrawn, amended, or forfeited in the Company's discretion, including where the Company reasonably suspects abuse, manipulation, or fraud in connection with the promotion.

15. Prohibited Trading Practices

The Client shall not engage, whether alone or in concert with others, in any abusive, manipulative, or fraudulent trading practice, including but not limited to: exploiting latency or pricing errors; arbitrage strategies designed to exploit delays in the Company's price feed; use of automated systems designed to abuse promotional offers; wash trading; or any practice that the Company reasonably determines to be abusive of its liquidity or pricing arrangements.

Where the Company determines that the Client has engaged in prohibited trading practices, the Company may, without prior notice, void the relevant trades, adjust the Client's Account, withhold profits derived from such practices, and/or suspend or close the Account, without liability to the Client.

16. Force Majeure

The Company shall not be liable for any failure or delay in performing its obligations under this Agreement where such failure or delay results from circumstances beyond its reasonable control (a "Force Majeure Event"), including but not limited to: acts of God; war, terrorism, or civil unrest; governmental action, sanctions, or change in law; suspension or closure of a market or exchange; failure of a third-party liquidity provider, bank, or payment processor; power or telecommunications failure; cyberattack; epidemic or pandemic; or any other extraordinary market condition or disruption.

During a Force Majeure Event, the Company may take any action it considers reasonable in the circumstances, including suspending trading, adjusting prices, closing positions, or delaying execution or withdrawals, without liability to the Client.

17. Intellectual Property

All intellectual property rights in the Website, the Platform, and all associated content, trademarks, logos, and materials are owned by or licensed to the Company. No licence is granted to the Client other than a limited, non-transferable, revocable right to access and use the Services for their own personal trading purposes in accordance with these Terms.

18. Client Representations, Warranties and Indemnity

In addition to the representations set out elsewhere in this Agreement, the Client represents and warrants that: (a) the Client is trading for their own account and not on behalf of an undisclosed third party, unless otherwise agreed in writing; (b) the funds used for trading are lawfully obtained; and (c) the Client has the knowledge, experience, and risk appetite necessary to understand and accept the risks of trading CFDs and Forex.

The Client agrees to indemnify and hold harmless the Company, its officers, directors, employees, and affiliates from and against any and all claims, losses, damages, liabilities, costs, and expenses (including reasonable legal fees) arising out of or in connection with: (a) the Client's breach of this Agreement; (b) the Client's violation of any Applicable Law; (c) the Client's use of the Services; or (d) any inaccurate representation made by the Client.

19. Limitation of Liability and Disclaimers

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE SERVICES ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS, WITHOUT WARRANTY OF ANY KIND, WHETHER EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY, OR NON-INFRINGEMENT.

To the maximum extent permitted by Applicable Law, the Company, its officers, directors, employees, affiliates, and representative offices shall not be liable to the Client for any indirect, incidental, special, consequential, exemplary, or punitive damages, or for any loss of profit, revenue, goodwill, or anticipated savings, arising out of or in connection with this Agreement or the Services, whether arising in contract, tort (including negligence), breach of statutory duty, or otherwise, even where the Company has been advised of the possibility of such loss.

To the maximum extent permitted by Applicable Law, the Company's aggregate liability to the Client for any and all claims arising out of or in connection with this Agreement, however arising, shall not exceed the total amount of fees and commissions actually paid by the Client to the Company in the three (3) months immediately preceding the event giving rise to the claim.

Nothing in this Agreement excludes or limits the Company's liability for death or personal injury caused by its negligence, for fraud or fraudulent misrepresentation, or for any other liability that cannot lawfully be excluded or limited under Applicable Law. Subject to that carve-out, the Client acknowledges that they trade entirely at their own risk and that the Company shall not be responsible for trading losses resulting from market movements, the Client's own trading decisions, or events beyond the Company's reasonable control.

20. Confidentiality and Data Protection

The Company will handle personal data collected from the Client in accordance with its Privacy Policy, published separately and incorporated into this Agreement by reference. By using the Services, the Client consents to the collection, use, and processing of their personal data as described in the Privacy Policy.

21. Communications and Notices

The Company may communicate with the Client by email, Platform notification, SMS, or by posting notices on the Website. Communications sent to the email address or contact details on the Client's file are deemed received within twenty-four (24) hours of transmission. The Client is responsible for keeping their contact details up to date.

22. Complaints Handling

Any complaint regarding the Services should be submitted in writing to the Company's support or compliance contact as published on the Website. The Company will acknowledge receipt and endeavour to investigate and respond within a reasonable time. Submission of a complaint does not constitute an admission of liability by the Company.

23. Suspension and Termination

The Company may suspend or terminate the Client's Account, or restrict access to the Services, at any time and in its sole discretion, with or without cause and with or without prior notice, including where required by Applicable Law, where the Company suspects fraud, abuse, or breach of this Agreement, or for general risk-management or commercial reasons.

The Client may close their Account at any time by written request, subject to settlement of any open positions and outstanding obligations. Termination of this Agreement does not affect any right or liability that has accrued prior to termination, nor any provision of this Agreement that by its nature is intended to survive termination, including without limitation Sections 19 (Force Majeure), 23 (Limitation of Liability), 22 (Indemnity), and 32–33 (Governing Law and Dispute Resolution).

24. Amendments to these Terms

The Company may amend these Terms at any time by posting the revised version on the Website, with the "Last Updated" date revised accordingly. Material changes will, where practicable, be notified to Clients by email or Platform notification. Continued use of the Services following any amendment constitutes acceptance of the amended Terms.

25. Severability

If any provision of this Agreement is held by a court or tribunal of competent jurisdiction to be invalid, illegal, or unenforceable, that provision shall be severed and the remaining provisions shall continue in full force and effect, and the parties shall negotiate in good faith to replace the severed provision with a valid provision that most closely reflects the original commercial intent.

26. Entire Agreement

This Agreement, together with the Documents incorporated by reference, constitutes the entire agreement between the Client and the Company in relation to its subject matter and supersedes all prior agreements, representations, and understandings, whether written or oral, save in respect of any fraudulent misrepresentation.

27. Assignment

The Client may not assign, transfer, or otherwise deal with any right or obligation under this Agreement without the Company's prior written consent. The Company may assign or transfer this Agreement, in whole or in part, to any affiliate or successor entity without the Client's consent, subject to Applicable Law.

28. Governing Law and Jurisdiction

This Agreement, and any dispute or claim arising out of or in connection with it (including non-contractual disputes or claims), shall be governed by and construed in accordance with the laws of Saint Lucia, without regard to conflict-of-law principles.

Subject to Section 33 (Dispute Resolution), the courts of Saint Lucia shall have exclusive jurisdiction to settle any dispute arising out of or in connection with this Agreement, and the Client irrevocably submits to the jurisdiction of those courts.

Nothing in this Section shall be construed as excluding any mandatory consumer-protection right that the Client may have under the law of their own jurisdiction of residence, to the extent such right cannot lawfully be excluded or varied by agreement.

29. Dispute Resolution and Arbitration

The Company encourages Clients to first raise any dispute through the complaints procedure described in Section 26. If a dispute is not resolved through that process within a reasonable time, either party may elect to refer the dispute to final and binding arbitration seated in Hong Kong, administered by the Hong Kong International Arbitration Centre (HKIAC) in accordance with its rules then in effect, conducted by a single arbitrator, in the English language.

Election of arbitration under this Section is at the Company's discretion and, where the Company so elects, shall be the Client's exclusive remedy in place of court proceedings under Section 32, save where such election would deprive the Client of a mandatory legal right that cannot be excluded under Applicable Law. Each party shall bear its own costs of arbitration save as the arbitrator may otherwise direct.

For the avoidance of doubt, all disputes arising under this Agreement will accordingly be resolved either before the courts of Saint Lucia or, where the Company so elects, by arbitration seated in Hong Kong, as set out above.

30. Language

This Agreement is drawn up in the English language. Any translation provided is for convenience only, and in the event of any inconsistency between the English version and a translated version, the English version shall prevail.

31. Contact Information
